SU TAŞIRMAZ SAKSI

NON-OVERFLOW FLOWER POT

Çiçeğinizi suladıktan sonraki fazla su özel kanallar tarafından alt bölmeye geçirilecektir.

The extra water after you water your plant will be drained to the lower section by special channels.

Su taşıma miktarı
Water Excess Amount

Çiçeğiniz daha sonra ihtiyacı olan suyu alt bölmeden alacaktır.

Your plant will then take the water it needs from the bottom.

Saksı tabağına gerek olmadan kullanabileceğiniz su taşmaz saksı.

The non-overflow pot that you can use without having to use any plate under it.
